

WCGFOA Member of the Month – March 2017

Dean Hammond
Treasurer and GM of Corporate Services, City of Brandon

A lifelong resident of Brandon, Manitoba, Dean started working for that City in 2011. As Treasurer and GM of Corporate Services, Dean's areas of responsibility include Finance, Information Technology, Risk and Emergency Management, as well as the Brandon E911 call centre, which serves most Manitoba areas outside of Winnipeg. As a CPA, and as recent graduate of the Manitoba Municipal Administrator's Association's "Certificate in Manitoba Municipal Administration" (CMMA) program, Dean is always looking to WCGFOA to expand his knowledge of Municipal Finance topics. When not pouring over a spreadsheet, Dean can be found on his motorcycle, in his kayak, or in front of a fire at one of Manitoba's many beautiful campgrounds.
