# 2019 NATIONAL CONFERENCE: OCTOBER 2ND - 4TH

## RESPONDING TO DISRUPTION: OPPORTUNITIES FOR FINANCE

Welcome to our 2019 National Conference. We have been holding conferences since the 1970's, originally under the banner of GFOA of Western Canada. While we have gotten bigger and better than those early days, the world has also become more challenging, technology more complex and our delegates more demanding. Similar challenges face our members in their organizations. If any of us ever get comfortable, we find ourselves Responding to Disruption. That is why in 2019, we are bringing together amazing speakers and the best technical experts from the leading companies in our field to work with our delegates so that we can all be inspired to see disruption as an Opportunity for Finance.

We are a professional development conference providing the highest quality PD for Finance Officers working in the public sector. We have the head of PSAB to deliver his annual update. Leaders in the fields of budgeting, financial reporting, asset management and Information Technology will keep you informed about the latest developments in their fields. But real professional development is more than just being able to report 17 verifiable hours to your professional association. At the conference, you will get to debate hot-topic issues with your peers and participate in interactive discussion Forums that will ensure you can apply what you learned and return being more effective in your work.

Along with expanding our technical skills and networking with our colleagues, our conference is also an opportunity to have some fun! Tuesday evening's Welcome Reception will be held at the Richmond Olympic Oval, the iconic building which hosted the speed skating events at the 2010 Winter Olympics. Delegates will get to spend the evening at the Olympic Museum where they can do virtual bobsled runs, ski jumps, and other Olympic events. The Local Committee is planning special entertainment for our Thursday night Banquet at the Sheraton. If you can extend your stay, you could a walk along the seawall, go whale watching, or shop the high-end shopping district in downtown Vancouver.

This years conference event will be held at the beautiful Sheraton Vancouver Airport Hotel. For information and updates visit the conference website at [www.cagfo.ca](http://www.cagfo.ca).
